

Property Report

36 West Street, Lancaster, LA1 4UJ

16th December 2025

Winner of the UK's
Best Estate Agent

Data you can rely on:

West Street is located in the heart of Greaves, a popular South Lancaster area known for its strong community feel, highly rated schools and convenient access to the city centre and Royal Lancaster Infirmary. Shops, cafés, bus routes and road links are all close by.

The house presents well, with a bay window and modern front door. Inside, a tiled hallway runs through the ground floor, retaining the original staircase. The front reception room features an original fireplace and bay window, while the full-width rear kitchen includes an island, range cooker, integrated appliances and solar battery storage. A knock-through leads to a bright rear extension with Velux skylight, French doors replaced in 2025 and good insulation.

Upstairs are three bedrooms and a bathroom with rainfall shower fitted in 2023, while the converted loft provides a generous additional room. The rear garden offers gravel seating, a patio area, solid shed and rear access.

Restrictive covenants

Found

This property has restrictive covenants

Restrictive covenants are legally binding agreements written into a property's deed that limit what can be done with the property.

Why it's important

Usage Limitations

They may restrict alterations, land use, or activities (e.g. no extensions, specific construction materials).

Community Consistency

Covenants help maintain a uniform look and feel in a community, which can protect property values.

Obligations and Compliance

It's crucial to understand any existing covenants before buying, as breach can lead to legal action.

While we can't provide specific details about restrictive covenants without the purchase of the title deeds, we can let you know if they exist. For more information on how to obtain the title deeds, please feel free to reach out to your agent, who will be happy to assist you.

Rights of way

There has been no rights of way found on the plot of this property

Footpaths

These paths are for pedestrians, which means they can be used by people walking or running. They are also accessible to those using mobility scooters or powered wheelchairs.

Bridleways

Along with walking, these paths are open to horse riders and cyclists. Additionally, mobility scooters and powered wheelchairs can be used here. No motor vehicles are allowed.

Restricted Byways

These routes are more versatile, allowing for any form of transport as long as it isn't powered by a motor. This includes walking, cycling, horse riding, and using mobility scooters or powered wheelchairs.

Byways Open to All Traffic (BOATs)

These paths are available to all forms of transport, including motor vehicles. However, despite allowing cars and other vehicles, they are primarily used by pedestrians, cyclists, and horse riders.

For specific details about the rights of way on this property, it may be beneficial to consult local government websites or property deeds, which can provide precise information on locations and restrictions.

HM Land Registry 

🏠 National park

No restrictions found

This property is not within a national park

A national park is a protected area recognized for its natural beauty, wildlife, and cultural heritage.

💡 Why it's important

Restrictions

There are strict planning regulations to ensure preservation. Building and development are highly controlled.

Natural Beauty

Properties offer scenic surroundings and abundant recreational opportunities, adding to their appeal.

Value Implications

While restrictions may limit development, the environment can enhance property desirability and value.

For more information and specific details on any potential restrictions please speak to your agent or the local authority.

🛡️ Conservation area

No restrictions found

This property is not within a conservation area

A conservation area is a region designated for its special architectural or historical value. It is protected to maintain its unique character.

💡 Why it's important

Preservation

These areas maintain historical and architectural charm, potentially enhancing property values.

Restrictions

Additional planning permissions and controls apply, limiting changes like exterior alterations or tree removals.

Community and Environment

They contribute to community aesthetics and environmental health.

For more information and specific details on any potential restrictions please speak to your agent or the local authority.

Greenbelt land

No restrictions found

This property is not on Greenbelt land

Greenbelt land is a protected area designated to prevent urban sprawl and preserve natural landscapes.

Why it's important

Restrictions

Strict regulations limit new developments and property modifications, often requiring special permissions.

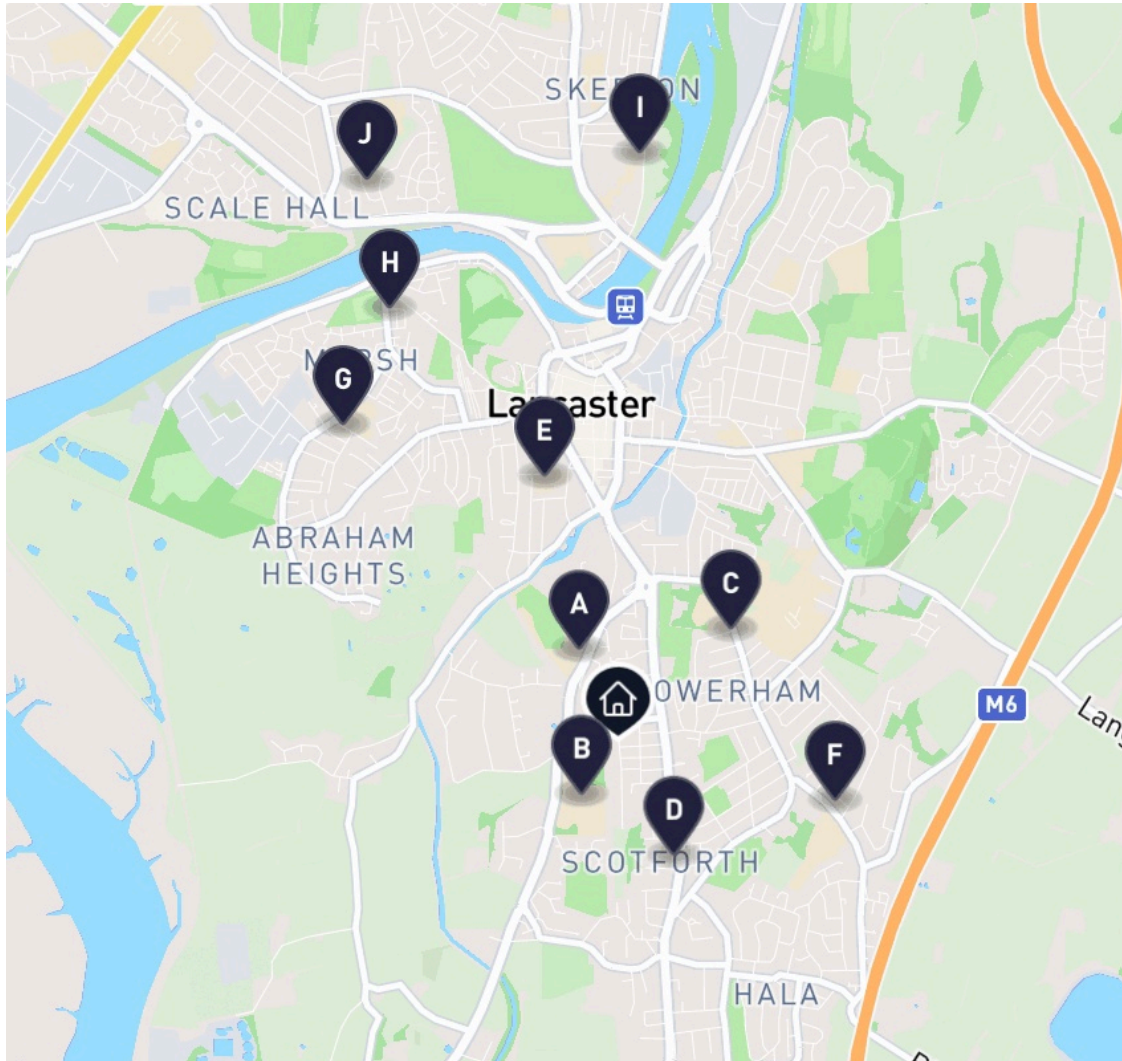

Environmental Appeal

Offers scenic natural surroundings, providing a tranquil atmosphere that enhances property desirability.

Value Implications

Properties in greenbelt areas tend to be more valuable due to limited availability and appealing settings, though restrictions could affect potential alterations.

For more information and specific details on any potential restrictions please speak to your agent or the local authority.
